Our team is a dedicated group of parishioners who provide pastoral support to our parish family during life challenging and changing events. Through our ministry, we provide support through communication, visits, food, flowers and caregiver relief. Care for the Caregiver is our most recent addition to our team model. After beginning our ministry just over a year ago, we hope to continue expanding the reach of our service. In 2017 we will be exploring a ministry to our college students.

Our work and service would not be possible without the support and prayers of clergy, staff and our parish as a whole. I want to extend special thanks to T.H.E. C.A.R.E. T.E.A.M. volunteers, Paul, Billy, Tommie, Nancy, Mary Howard, ECW, Flower Guild and Daughters of the King. We could not function without your continuing efforts to support our activity.
