

## **FAMILY GROUPS**

**Joellen Murphree**

The Family Group system of being assigned to a Vestry member has completed its second year.

If you do not know which group you are in, call the office. These groups are our primary mechanism for pastoral care and fellowship.

Take advantage of opportunities to get to know your family and others by assisting with pot luck suppers or summer brunches when asked.

Help a family member with food or visits when illness or death occurs.

Volunteer to be a Family Head.
