

FUNERAL GUILD
Carol Alvis

The Funeral Guild Mission Statement: To offer support in relieving tension, stress, grief and other needs of Church family members as they experience a death in their family. We provide refreshments or meals for families during the visitation, as well as other means of comfort to individuals and families during their time of grief.

This year the Funeral Guild provided support for the funerals of:

Ruth Rainey

Rhonda Saunders

Doris Streit

Debbie Shutiok

Fran Shutiok

There was no line item in the budget for the Funeral Guild in 2017. I have made a request for a separate fund for the Funeral Guild in 2018 (possibly \$400.00) to cover expenses for items that are needed but not acquired from donations.

Many thanks to all that provided assistance and donations to this ministry.
