

SEARCH COMMITTEE
Sandra Perkins

The search committee has received an excellent list of candidate names for our Rector Search. The candidates have received an All Saints' ministry portfolio, parish profile, and information on Tupelo and Northeast Mississippi. We will begin the interview process soon. The committee is very excited about the names we have received as they are all good candidates. The Search Committee which includes, Tony Alford, Pamela Cox, Nathan Duncan, Tricia Edmonson, Rufus Van Horn, Stephen King, Jim Newell, and Marrion Winders, are very dedicated and are working hard to find the best Rector for All Saints'. Please continue to keep this committee in your prayers.
